Have you ever seen a UFO? Tell us about it!

Read: Psalm 122:1

Why is it important for church to be a place we are glad to be at?

We want people to see Jesus the way we see Jesus. So how do we see Jesus? What top 10 words describe Him?

Read: Matthew 12:1-8, Hosea 6:6, Matthew 7:21-23, John 1:10-13

The religious leaders who were questioning the disciples had been blinded to other aspects of God's revealed will through His Word. Have you ever had a similar experience, where you thought you understood something about God, or following God, and then had something open your eyes? What was it?

What is one thing God has opened your eyes to? How do we know it is really God opening our eyes and not something else?

Why is it so easy to equate knowing about God to knowing God? What is the difference?

God's greatest desire for you is intimacy with Him.

How does an intimate relationship with God change you? How has it changed you 5 years ago? A year ago? This week?

Take time to pray for the group, and for our church to continue to reach people for Jesus!
