

Dear LifePoint Family-

Greetings and Happy New Year! I hope you and your family were able to enjoy some time together for Christmas and the New Year, and hopefully you are ready to tackle all the new things that 2014 will bring. I am writing to tell you how blessed Bridget and I feel to lead LifePoint, God has used our church in some very big ways in the last year and we are excited to see what he will continue to do as we head into this next year.

We will be starting the year off with a new series called **Family Octagon**. This will be a 6 week series on **Fighting the Ultimate Fight for the Ultimate Prize: Family**. I want to encourage you to join us and to bring someone along as we examine some keys to having a great family. As a part of this we want to make up 300 Fight Kits.

Fight Kits are designed to be a helpful gift from LifePoint to any family you know who might be fighting a cold, or the flu, or who is fighting to stay healthy. God gave each of us the call to "Go out into all the world..." I believe that YOU are the most powerful and effective tool that we can use to build the Kingdom of God. Our goal is to give you a simple tool to help you invite people to church. We will need your help in assembling and collecting the components of the fight kit!

Here is what we need:

- Travel size Kleenex.
- Travel size clorox wipes
- Travel size hand sanitizer
- Cough drops
- Chicken noodle soup in a can

We will assemble these January 25th and our hope is that they will be used as a way to invite people to church, either to come back to church or to encourage someone to give church a chance. The whole idea is to show people the love of Christ by giving this small useful gift.

Have a great rest of your week! See you on Sunday!
