

Dear LifePoint Family,

I hope you are having a great week and are managing to stay dry. I am writing this because we are basically desperate. We need volunteers to help us park cars at the Laclede County Fair. Before you quit reading, let me tell you why we are doing this and why your help matters so much.

**1. We ARE NOT doing this for free.**

The Fair Board is paying us to provide this service and they are paying well. **100% of the money will go to fund Mission: Haiti.**

**2. The money raised will make an IMMEDIATE difference.**

We can **feed an entire orphanage for 3 months**, or that money can be used to dig cisterns to **provide water all year.**

**3. We are behind on our Mission: Haiti pledges.**

There are those who have moved away, had a change in their financial status, etc. but either way, we are behind on those Mission: Haiti pledges that we launched the program with. In lieu of those pledges, the money to support our work in Haiti comes from the General Budget which means less funding for other ministry activity. But **we can make up for 25% of the entire shortfall in ONE WEEK if we have enough volunteers!**

**PLUS!!!**

**4. We had a BLAST doing it last year!**

Meet new people, build better relationships, represent your church, build the Kingdom of God, AND take care of some of the planet's most at-risk kids? ***Why would you want to miss out on this great opportunity?***

I am praying that you will be one of the ones who will step up to volunteer to help us in this. We have a great opportunity to use one week to make a huge difference and you can join me in being a part of that!

Please email Alan ([alan@lifepointlebanon.com](mailto:alan@lifepointlebanon.com)) or call the church office at 417-991-2911, and volunteer to fill a spot. **We need you**, and I thank you in advance!

Grace and Peace,

Pastor Kelly
