

Hero Worship - Super Friends

When you were growing up who was your larger than life hero? What made you admire them so much?

One thing about sin is that, Sin always separates. How have you seen that to be true in families, business, and even in ourselves?

Read: Luke 4:18-19

How have you see Jesus do these things?

Read: John 20:19-21

So when you think about God sending you into the world, what immediately comes to mind?

In the message Kelly said that, “You have always been a part of God’s solution.”

Read: Ephesians 2:8-10, Jeremiah 29:11

Kelly said, “If God has a plan and a purpose for you, then you should probably get after figuring out what that purpose is, and start working to accomplish it in your life.”

Where are you at in that process? What next steps do you need to take? (Hey guys I realize this is a big and potentially uncomfortable question but we need to wrestle with it. DO NOT belittle, condemn, or judge anyone who isn’t serving, or even who think they don’t need to, instead love them and pray for them. GROWTH IS HARD!!! It is impossible to grow in Christ apart from service, so serve them through encouragement and prayer!)

Read: 1 Chronicles 16:23-31 and take note of the specific actions God calls us to as part of worshiping Him. What else needs to be added that isn’t represented here?

What next steps is God calling you to take?

Close in prayer.
