

Testimony Survey

We know that Jesus has worked in amazing ways in the life of our congregation, and we want to tell the world! If you would be willing for a professional writer from Good Catch Publishing to interview you and write the story of how Jesus Christ has changed your life, please check as many boxes as apply to your story. Then write a few sentences below about God's power, protection or provision in your life. Remember, the star of the story is JESUS, so be sure to tell us why HE made the difference when facing the below challenges and trials. We may give you a call for an interview and your story might even appear in our upcoming book! (Note: Because of the sensitive nature of most testimonies, **all GCP storytellers use alias names** UNLESS their stories are simply inspirational and/or do not in any way malign any person or party.)
