

The Next Level - Bat Outta Haran

Define faith in 3 words or less, go!

God didn't put you on this earth just to wander around He has a destination in mind, but you will have to take a step of faith to get there. What recent step of faith has grown you in your walk the most?

The hardest person to reach is the person who thinks they don't need God. In Genesis 11 they were trying to prove this by building the tower to elevate themselves without relying on God. Was God's act of confusion the language and scattering them on the earth an act of love? Why or why not?

Read: Genesis 11:31-32

Read: Genesis 12:1-6, Hebrews 11:8-10

So imagine that your father is Bill Gates, the wealthiest man in the world. He passes away, leaving you the company, but God speaks to you and says he has something even better in store. What do you do? How hard would it be to make that decision?

Abraham had to sacrifice what was comfortable in order to gain what was impossible. What sacrifices have you made for the Lord? Has it been worth it?

Walk through the following 4 things and take time to support each other through prayer.

1. What is something you are grateful for.
2. What is something you need God's grace on now.
3. What is someone you want to see come to Christ.
4. What is step you are willing to take.

Please pray for: Our Big Give Day April 7, 2019, Good weather for the EGGStravaganza, that God would allow us to see many lives turn to Jesus at Easter.
