

The Next Level - The Leap!

Group Leaders - Since this is a celebration of our 9th year as a church, take some time to share your favorite memory here at LifePoint.

Read: John 14:6, John 10:10

One of our Big Rocks is JESUS BRINGS LIFE!!! How has Jesus brought life to you? How has it happened recently?

Is it hard to talk about how God has blessed you with other people? Why or Why not?

Read: Luke 15:11-24

Another of our Big Rocks is Welcome Home. How does the story of the Prodigal Son define how we are to welcome those who are far from Christ home?

At LifePoint everyone is part of the hospitality team. How has that affected you? How has that failed at times? How can you help?

God gave Abram many promises, but had he not acted on them nothing would have happened. Information isn't transformative until we take action. What have you missed out on in life because you didn't take the action you needed to?

Read: Hebrews 12:2, John 3:16, 2 Corinthians 5:21, Romans 5:8, 1 John 4:19

These all demonstrate God's example as He showed us His love first and as He calls us to continue to Love First. How does this challenge you? How has it set you free?

We are here to give glory to God and love as many people to Jesus as we can before we die. Period.

Giving time, talent, and treasure are all ways to worship God in a deep and transformative way. Why is giving at the level of sacrifice necessary to truly be changed?

To close tonight please pray for your church, it's leaders, and all the things God has called us to do. God has great things in store, all He needs is willing hands to do the work. (Luke 10:2)

As you pray for each other, please pray for: Good weather for the EGGStravaganza, that God would allow us to see many lives turn to Jesus at Easter.
